

Mt. Laurel Fire Department potentially faces firefighter & staff reductions!

Did You Know...

- that the outcome of this years budget election will directly effect our ability to deliver emergency services through potential firefighter layoffs?
- that due to federal regulations our air packs will expire in 2011?
- this year, you can vote on a referendum that allows the purchase of replacement air packs?
- that without the replacement air packs we cannot enter buildings to provide necessary fire related services?
- that the state legislature has restricted our budgets to a level far below the cost of living?
- that the best way for you to help control future budget increases is to become a Volunteer Firefighter?
- that passing this years budget and referendum will raise the taxes of the average homeowner by only \$31.00

The Mount Laurel Fire Department responded to over **2,200** calls for emergency service last year. We need your help to maintain the level of service required to keep the residents of Mount Laurel safe and secure.

BE HEARD
PLEASE VOTE AT YOUR LOCAL FIRE STATION
SATURDAY, FEBRUARY 20, 2010.
POLLS OPEN 2PM TO 9 PM

OUR GOAL IS TO MAINTAIN SAFETY AND SERVICE!

69 Elbo Lane * Mount Laurel, New Jersey 08054 * 856-234-6053
